Lutheran Day on the Hill

March 12, 2012

Join a group of passionate advocates and make a difference for tens of thousands of Iowans. Your legislators want and need to hear from you about critical human services, so please register today for Lutheran Day on the Hill. This event gives you the opportunity to share your voice with your legislators.

You will hear stories from people who have received or are receiving the critical human services provide by LSI, and get the opportunity to share their message and the LSI message with your legislators at the Iowa State Capitol in Des Moines.

This is your opportunity to use your voice to change the lives of Iowans in need.

Transportation to Des Moines will be provided by chartered buses that will be stopping at select locations across the synod (Davenport, Iowa City, and Newton). Please join us on our trip to the capitol. Space is limited, so register today!

Register at www.lsiowa.org (click on the "Advocate" tab at the bottom of the home page. The link to the registration is on the right side of the page.)

This opportunity is offered at no cost to attendees. Please register by Wednesday, February 28. Registrations received after this date are not guaranteed a t-shirt.

ELCA World Hunger
Evangelical Lutheran Church in America
God's work. Our hands.

Event made possible through a grant from ELCA World Hunger. LSI is proud to be a partner in Lutheran Day on the Hill with the three Iowa Synods of the ELCA.
