#inthisTogether

Dear Friends in Christ,

Please join me for worship, lunch, and conversation on the date and at the location listed below that works best for you.

Every opportunity to gather around the means of grace is precious. When worship is paired with conversation and fellowship, the chance of enhancing the impact of our shared mission is further increased.

This synod's theme, "The WATER & The WITNESS" continues to shape my approach to our life together. With gratitude for your partnership, I look forward to spending this time with you.

In the evening, the same day when we are gathered, I will be meeting with leaders who have been elected to serve on the councils of area congregations. I am excited at the prospect of listening carefully to our varied perspectives. My hope is that together, we will discover additional points of connection and new ways to assist one another in the proclamation of the good news of Jesus Christ.

We really are #inthisTogether

Christ is with you,

Bishop Michael L. Burk
